REASONS FOR ALLOWANCE

The amendment filed on August 11, 2005 has been entered. The specification has been amended, claims 1-8 have been cancelled and new claims 9-15 have been added.

Claims 9-15 are allowed.

The following is an examiner's statement of reasons for allowance:

None of the prior art of record shows or suggests a coupling assembly including a base, a member movable relative to the base, and a roller thrust bearing assembly including a disc with an annular array of spaced apart slots, each slot of the annular array of slots having a longitudinal central axis which is skewed at an angle relative to a disc radius extending through a center of the slot, and a plurality of roller bearings disposed in each slot of the plurality of slots as set forth in claim 9, and particularly wherein the annular array of slots includes first slots having a first length and second slots having a second length which is less than the first length, the second slots being interspersed with the first slots in the annular array of slots.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
